Bushnell GOLF

MAPPING REQUEST FORM

POWERED BY iGOLF

As Golf Courses change, iGolf and Bushnell will gladly update maps at your request, to ensure your GolfGPS product has the latest, most accurate information. If you have used your Bushnell GolfGPS product and found any course information requires remapping, please fill out this simple form and email to: courseupdate@L1inc.com   Within 3 business days, your course will be updated and a confirmation email sent to you so you can update your product and play your next round with confidence.

If there are any other questions referring to updating your product, please email iGolf using this link: http://www.igolf.com/about_us/contactigolf.html?dept=tech
